### **Space and Naval Warfare Systems Center San Diego Awards Contract**

SAN DIEGO — Science Application International Corporation (SAIC) of San Diego, Calif., is being awarded a \$1,862,623 cost-plus-fixed-fee contract to support the Defense Advanced Research Project Agency's Microsystems Technology Office for research in Space Time Adaptive Processing with Game Boy-type, high-speed commercial processors (STAP-BOY). This one-year contract includes two options which, if exercised, would bring the cumulative value of this contract to \$13,778,825. Work will be performed at the contractor's facility in San Diego, Calif., and is expected to be completed by June 2006. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured via the Commerce Business Daily's Federal Business Opportunities website. The Space and Naval Warfare Systems Center San Diego, Calif. is the contracting activity (N66001-05-C-8026).
